Dear Mr. Savage

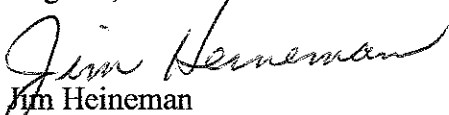

Thank you and all the members of Bald Eagle Sportsmen's Association for providing Troop 625 the opportunity to enjoy a day of shooting. This year the weather was great and all fifteen Scouts had a wonderful time. The youth size shotguns made the trap shooting much easier for the smaller boys. Thank you for providing them.

A couple of your members deserve a special thank you. Peter Schultz who helped clean the rifles and Curt Hanke for setting up the trap range and explaining how to operate the 870's.

The day would not be a success without the time and effort put in by Paul Kaiser. He makes sure everything runs smoothly and all the details are taken care of. Thank you Paul.

Thanks again for providing the opportunity for the Scouts to shoot. We look forward to next year.

Regards,

Jim Heineman
