Dear Stephen:

On behalf of The NRA Foundation Board of Trustees, thank you for your generous contribution of \$725.00 to The NRA Foundation's NRA Civil Rights Defense Fund Endowment. Your strong leadership in making this gift at the 2007 NRA Annual Meeting is greatly appreciated.

Our essential mission is to create an endowment that perpetually funds worthy educational programs for the shooting sports. Educating the general public is fundamental to NRA's mission in protecting law-abiding citizen's rights to own and use firearms as guaranteed by our Constitution. With our endowment portfolio over \$29 million today, we are working with you to keep the flame of freedom alive.

Thank you for your commitment to the Second Amendment and our endowment-building efforts. We value your unwavering support of our constitutional rights and all you do to teach freedom.

Sincerely,

Wayne Sheets  
Executive Director  
The NRA Foundation, Inc.
